Your Guide to Parking Off Campus

You just moved into a new apartment; next up is the battle for affordable parking. While many apartments offer parking spots in their garages that you can pay for, many students opt to park alongside the roads, moving their cars according to the parking signs. Spotting these signs and keeping track of street cleaning schedules is a foreign world to most. Also, knowing where to park for free in Westwood Village is also important. FSC will help you to park legally and avoid those pesky parking tickets that have come to characterize the Westwood parking situation.
